SUBJECT { GENERAL COB, Berlin  
SPECIFIC REWOOD/ANCHAMF  
Request for Renewal of Project ANCHAMF

REFERENCE: ICPA-5873, 19 November 1957

ACTION REQUESTED: Submission of Renewal Request for Project ANCHAMF  
by 15 July 1958

1. In order to assure that a request for renewal for Project ANCHAMF be approved before the expiration date of 31 August 1958, we request that you submit to Headquarters by 15 July 1958 a request for renewal per paragraph 73 of PI 230-620, 23 October 1953. We wish to request that particular attention be given to an operational review of the activities supported by Project ANCHAMF during the last renewal period, and that a thorough evaluation be made of the production of those aspects of the project that are administered by you. During the past year the production from the project has been slight in comparison with its cost. Much of the activity supported by the project, such as, debriefing of defectors and repatriates and procurement of accommodation addresses seems to be duplicated by Project ANCHAMF. We suggest that you review especially closely [ ] operations and we request your opinion as to the worth of continuing these activities.

2. For DDCI: We request COB's recommendations as to the continuance of the [ ] operation.
